

Here's a fun sweet drink with a magnetic personality from nerdsandnomsense.com.

The Magnetic Storm

Makes 1 drink

1 ½ ounces of dark spiced rum
¼ ounce of Grand Marnier or other
orange liqueur
2 ounces dark cherry juice
1 tablespoon of freshly squeezed
lime juice
2 ounces of ginger beer

Fill a shaker with ice and add the rum, Grand Marnier, cherry juice, 1 ounce of the ginger beer, and the lime juice. Then shake vigorously.

Once it's well shaken, pour into a highball glass with ice. Pour the last ounce of ginger beer on the top as a floater and garnish with a wedge of lime.
