

## Poke' Poem

Back to my roots  
another story begins  
I see my dad  
He says I'm born to win

I feel the grass on my feet  
yes on route 103  
catching pokemon  
like you won't believe

I'm already on the 4th gym you see  
He is easier to beat than  
that boy wally  
Take my badge and my quest proceeds

On gym 5 yep  
I'm battling my dad  
Wow he is super hard  
he is driving me mad

After 2 tries I finally  
hear him say  
"you beat me son  
Now go on your way"

Let's skip ahead to battle  
Stevens pokemon I have  
1 left but this  
is far from done

my starter Blaziken sweeps  
whole team, even that  
metagross he falls  
To me

I'm already the new champion  
Just like that I knew  
I was born to  
Win
